# SPONSORSHIP

**PACKAGE 2025**

On behalf of the Manitoba Chiropractors Association, it is our pleasure to invite you to join us for a memorable day of golf, camaraderie, and community support at the stunning Quarry Oaks Golf Course. This year's tournament is dedicated to a cause close to our hearts—supporting the incredible athletes of **Special Olympics Manitoba**.

Scheduled to bring together over 120 business owners, chiropractors, and community leaders, this event offers the perfect opportunity to connect in a relaxed and friendly environment. Quarry Oaks provides a course that golfers of all levels can enjoy, making it the ideal setting for both seasoned players and newcomers to the sport.

Your sponsorship and participation not only ensure an exceptional day of networking with like-minded professionals but also make a tangible impact on the lives of Special Olympics athletes. Your support helps alleviate financial barriers, allowing these athletes to focus on excelling in the sports they love.

We invite you to:

- **Register a team** for the tournament and enjoy a day of golf while supporting this worthy cause.
- **Become a sponsor** and gain exposure to an engaged audience of professionals and community leaders.
- **Donate a prize** to enhance the event's excitement and show your support for Special Olympics athletes.

In June 2025, Winnipeg will host the SOM Summer Provincial Games, where 500 athletes will compete for a chance to represent Manitoba on the national stage. This year, Special Olympics Manitoba aims to waive all athlete participation fees, breaking down financial barriers and ensuring inclusivity. Your sponsorship directly supports this goal, helping fund facilities, meals, transportation, uniforms, and training costs totaling \$350,000.

Your contribution in any form plays a vital role in the success of this event, providing the resources these inspiring athletes need to thrive. Together, we can make a meaningful impact by fostering inclusivity, supporting health and wellness, and celebrating their remarkable achievements.

We look forward to seeing you on the green for an unforgettable day of golf and giving back.

## ABOUT SPECIAL OLYMPICS

Special Olympics Manitoba (SOM) is the only non-profit organization in the province dedicated to creating opportunities for individuals with intellectual disabilities to thrive. Through sport, SOM helps athletes develop skills, build confidence, and foster inclusion, making Manitoba a more supportive and inclusive community.

They proudly serve over 2,000 athletes across all seven regions of Manitoba, offering:

- Weekly sport and leadership programs to develop skills and teamwork.
- Regional, provincial, national, and world competitions that provide authentic Olympic experiences.

Participating in sports has life-changing benefits for people with intellectual disabilities:

- Improved physical health through regular activity.
- Enhanced social skills and the ability to build lasting friendships.
- Boosted emotional well-being through goal-setting and achievement.
- Community integration and increased visibility for inclusion.

### MEET WILLIAM: A SPECIAL OLYMPICS CHAMPION

William is not only a talented snowshoer but also a dedicated Special Olympics golfer from Steinbach, in the Eastman Division. After 12 years of determination, he proudly represented Manitoba at the 2024 Special Olympics Canada National Winter Games in Calgary, achieving extraordinary success with Bronze, Silver, and Gold medals in snowshoeing.

His passion earned him a spot on Team Canada, where he competed at the 2025 Special Olympics World Winter Games in Italy. William's story of perseverance and achievement began with the opportunities provided by Special Olympics Manitoba.

#### Why Your Support Matters

Your sponsorship of this tournament directly supports athletes like William. Together, we can remove financial barriers, helping athletes achieve their dreams and represent Manitoba with pride.

Join us in creating a brighter, more inclusive future for Manitobans with intellectual disabilities.
