

WE ARE LOOKING FOR FULL AND PART TIME CHIROPRACTORS TO JOIN OUR TEAM

PART TIME CHIROPRACTOR:

- Guaranteed hourly wage. You are paid for every hour that you work.
- We are expanding to 7 days a week. Very flexible hours.
- Work as little or as much as you want.

FULL TIME CHIROPRACTOR:

- Guaranteed hourly wage +/- or percentage. Whatever is higher for you.
- You get paid first. Clinic will only start to take percentage when you are paid \$12 500/ month.
- There is no non-compete clause, so if you find that it is not a good fit, you are free to inform your patients and they can follow you elsewhere.
- Partnership available.

We are looking for someone with a growth mindset, who wants to learn and be part of a team, who genuinely cares about the people they serve and is driven to be the best version of themselves.

Do you have opinions and ideas you want to share and are truly interested in being a part of a team? If you are a new grad or just looking for a change/ your practice is not what you thought it would be and you want something different/ more, we would love to sit down with you to chat and figure out how to make this a win-win for both sides.

WHAT DO WE PROVIDE?

- An internal + external marketing system that generates new patients for you.
- Efficient and effective training in all details of running a fun and successful practice, with a strong focus on patient education and customer experience will be provided.
- A 3000 square foot design award winning modern clinic with an open area adjustatorium, 5 private chiropractic rooms, 4 massage therapy rooms, state of the art digital x-rays, with ATLAS paperless charting and billing.

- We bill most third-party insurances available in Canada – we have a dedicated accounts team to do all insurance billings and outstanding balance collections.
- We offer a unique patient care model with 3 Chiropractors, 6 Massage Therapists, 2 Chinese Acupuncturists, 1 Medical Doctor, and 10+ support staff all working together to preserve and help regain the health and wellbeing of the community.
- Clinic has a dedicated Business Consultant/ Manager
- Your growth in practice will be supported with up to \$1000 per year of self-directed continuing education.
- We are in the process of investing a substantial amount of energy and monies into creating a massive social media and online presence and we would love for you to join us as we move into this new frontier.
- 3 chiropractors at various stages of their lives and practice will be available to you as mentors to ease your transition and help you with all aspects of practice to ensure your success. This also allows you to have flexible hours without having to sacrifice balance with family/ personal life. Our Chiropractic team includes:

Dr Tim Kowalyshin - with clinic for 2+ years and in practice 18+ years

Dr Gilbert Miranda - with clinic for 25+ years

Dr Joseph Hawkins – with clinic for 1.5 years and in practice 26+ years

If interested, check out our Instagram/ our 1500+ Google reviews/ and us at mapleschiropractic.ca. If you feel like it would be a good fit call DR GIL at 204 632 4080 or email us at info@mapleschiropractic.ca to set up a time to discuss details, meet the team, tour the facility and chat about how we can make it a win-win.
