Annual Charity Golf Tournament

In support of ...

**Special
Olympics**
Manitoba

TEE OFF FOR A GREAT CAUSE!

SPONSORSHIP

PACKAGE 2026

On behalf of the Manitoba Chiropractors Association, we are pleased to invite you to join us once again for a memorable day of golf, connection, and community impact—all in support of the incredible athletes of **Special Olympics Manitoba**.

This year, we are proud to continue our commitment to an organization that inspires us year after year. By returning as supporters of Special Olympics Manitoba, we hope to strengthen the opportunities available to athletes across the province and help remove the financial barriers that can stand between them and the sports they love.

Our annual tournament will bring together more than 120 business owners, chiropractors, and community leaders for a day of friendly competition and meaningful engagement. Hosted at Bel Acres, the course offers an enjoyable experience for golfers of every skill level, making it the perfect venue for long-time players and newcomers alike.

Your sponsorship and participation truly make a difference. Whether you join us on the green, become a sponsor, or donate a prize, your support directly enhances the experience of Special Olympics athletes and helps ensure they have the resources they need to succeed.

We invite you to:

- **Register a team** and enjoy a day of golf while supporting this meaningful cause.
- **Become a sponsor** and engage with an audience of professionals and community leaders.
- **Donate a prize** to elevate the excitement of the event and show your support for Special Olympics athletes.

Together, we can continue to foster inclusivity, promote health and wellness, and celebrate the achievements of these remarkable athletes.

We look forward to seeing you on the course for another unforgettable day of golf and giving back.

YOUR SUPPORT MATTERS!

Special Olympics Manitoba (SOM) is the only organization in our province solely dedicated to empowering individuals with intellectual disabilities through sport. Their programs do more than create athletes—they build confidence, independence, and belonging.

Today, SOM supports more than **2,000 athletes** across all seven regions of Manitoba, offering year-round opportunities to grow, compete, and shine. These programs include:

- Weekly sport and leadership programs that build skills, teamwork, and personal growth.
- Regional, provincial, national, and world competitions that provide true Olympic-style experiences.

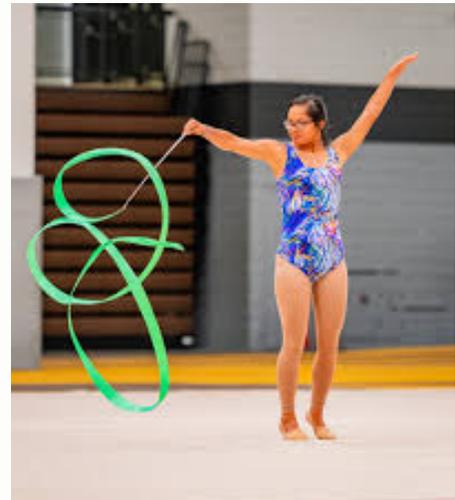

Your participation in our tournament directly fuels these life-changing programs. The impact is profound:

- Better health and fitness through regular, accessible activity.
- Stronger social connections and lifelong friendships.
- Improved emotional well-being through goal-setting, success, and encouragement.
- Stronger families and communities, where inclusion becomes the standard—not the exception.

Join us in shaping a brighter, more inclusive Manitoba, where individuals with intellectual disabilities have every opportunity to shine.
